You've enrolled, now what?

## Next Steps for Independent Contractors

Now that you have enrolled in Engagement, you are ready to take advantage of this great tool! To help you know what to expect, we've created this Quick Tip for you. Below we'll walk you through what we'll send you and why it's important. On page 2 is a tour of the Engagement homepage with some pointers on how to start using this great program to it's fullest! If you have any questions, just ask! Member Services is here to help: (800) 843-0733.

### 1. Receive Confirmation email

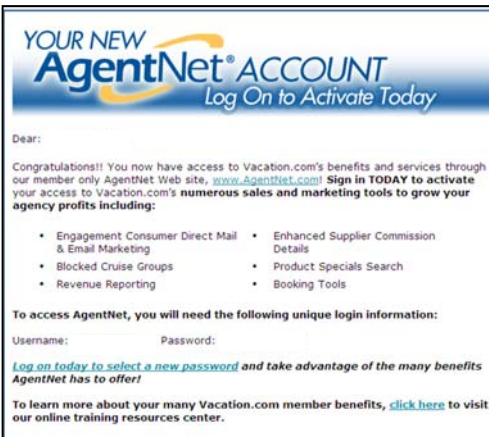

Once you have completed and successfully submitted your Engagement Enrollment form through the online enrollment site, you will receive a confirmation email at the email address you provided. The email comes from Vacation.com Member Services: [form\\_engine@fs7.formsite.com](mailto:form_engine@fs7.formsite.com)

Need to enroll? go to [www.joinvacation.com/getengaged](http://www.joinvacation.com/getengaged) and complete the online form, we've automated the whole thing for you to make it very easy! Not sure if you enrolled? Call Member Services (800) 843-0733.

### 2. Receive your new AgentNet Account Information

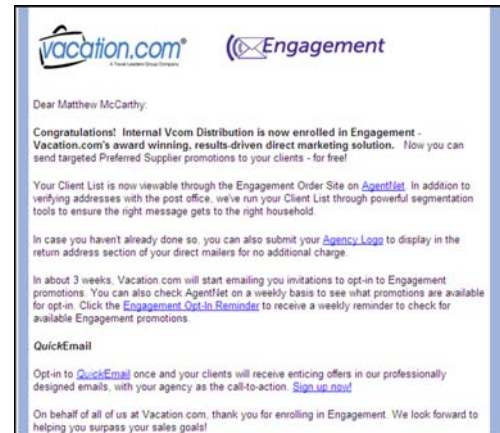

To maintain the security of your Engagement list, we create a new AgentNet username and password. This account is different than the account that your host agency created for you and should only be used for the Engagement Ordering site. It comes from this email address: [Sales@vacation-corp.com](mailto:Sales@vacation-corp.com).

The credential email will include both your new username and password. You can change the password at any time.

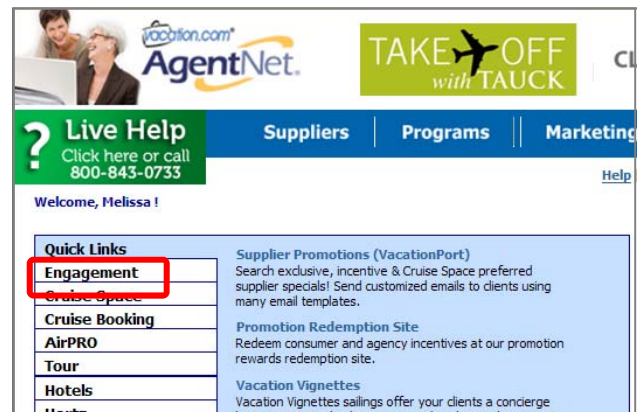

### 3. Ready, Set, Go!

Once your list has been uploaded to the Engagement ordering site, we send you an email. No action is needed from you, it's just a notification.

### 4. Login to new AgentNet account

Login to your new AgentNet account with the credentials we emailed you. To launch the Engagement order site, click the "Engagement" link for the left side of the AgentNet homepage.

The Engagement order site opens in a new window. See Page 2 for some tips on navigation.

Here are some pointers to get you started:

## 1 Engagement Calendar

To stay up to date, and help you plan for upcoming Engagement offers, download and print the Engagement Order Calendar. Page 1 is Direct Mail, Page 2 is Email.

## 2 Enroll in QuickEmail

Want to simplify your email marketing? Opt into QuickEmail. To do so, click "Order" for the "Email Subscriptions: Quick Email" option. QuickEmail lets you opt into all the e-engagement (email) offers for your selected suppliers for the next 12 months. But don't worry, you can change suppliers at any time. These emails will go to every email address you have in your Engagement list.

**NOTE:** If you do not select to include a particular supplier for QuickEmail you can still opt into the promotions individually.

## 3 Place an Order

All available direct mail and email promotions appear on this listing. To place and order, click the appropriate "Order" button and to complete the online order form.

## 4 Review Promotion Details

Want to review the complete promotion details before you place your order? Click the appropriate "View" option for your desired promotion to launch a detailed PDF.
