## Booking Steps: SIREV Cruises

SIREV is the leading search and booking tool in the Canadian marketplace. While SIREV is designed to be agent-facing, logical and intuitive, we at Vacation.com understand that everyone learns differently and some need progressive steps to follow. If the step by step approach works best for you, then think of this Quick Tip as your guide to searching and booking a cruise and air package in six easy steps!

### How to use this Quick Tip:

Each step gives you detailed information about the process and is meant to move you forward in your booking. As you get more familiar, feel free to skip steps you remember.

### 1. Initiating a Cruise Search in SIREV

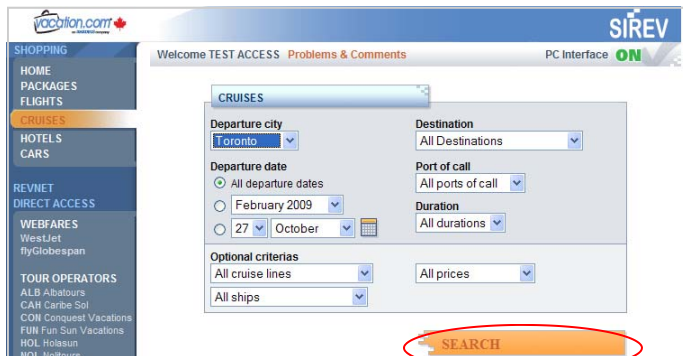

The first step in booking a cruise in SIREV is running a successful search. From the SIREV homepage, select the "Cruises" link to begin.

**NOTE:** The following cruise lines are available in SIREV: Costa Cruise Line, MSC Cruises, Princess Cruise Line and Thomson Cruise Line. The available cruise destinations in SIREV Cruise are: Eastern, Southern and West-ern Caribbean.

### 2. Enter Search Criteria

Begin your search by completing the appropriate fields on this screen. Remember, the fewer fields you complete the broader the results returned. Click "Search" when you are ready.

### 3. Select a Cruise package from your Search Results

The search results display side by side comparisons of available cruise packages. On this screen you can view Destination, Cruise Line, cabin type, vendor, pricing and air schedule. When ready to book, click on the tour operator "WEB" based booking link.
